### \$3.25 BID IN N. Y. FOR DIVIDE EX.

While the San Francisco stock exchange closed today there was all sorts of business doing in New York when the bulls got hold of Divide Exchange and began playing it for what looked like a five-dollar limit at noon. When the first quotation came in from Broad street the Zeb Kendall phenomenon was bid \$3.25. The remainder of the market, so far as Divide Exchange was concerned, appeared quite healthy and prosperous with trading but for the big fellow and \$3.25, which was the bid for Gold Zone, which opened early in the day at \$4.

### REVERT DIVIDE CROSSCUTTING

After a short suspension of activities in the Revert and Verdi Divides work was resumed today with two shifts on each property with the promise that hereafter there will be no longer any delay in getting to the zone where values are confidently expected. On the Revert a new shaft was started this morning from the 200-foot point in the shaft with the object of keeping in touch with the formation and vein system. The work resumed sinking from the 250-foot point where work ceased and will be pushed with vigor since all materials are on the ground and there will be no further delays from any shortage. Both shafts are under the superintendency of Clyde Jackson who established his reputation in putting down the old Nevada shaft. Ed J. Roberts is consulting engineer for both companies in addition to looking after the Belcher and Belcher Extension groups.

### CHALLENGE FOR BIG FRENCHMAN

PARIS, June 30.—Georges Carpentier received a cable today from Tex Rickard offering \$45,000 for a match with Jack Dempsey in the United States next January.

(By Associated Press.)  
TOLEDO, June 30.—The proposed Jack Dempsey-Carpentier match is being considered by the informally organized national sporting clubs of New York and not Rickard, according to Rickard.

### HURRAH TIME WHEN COUNTRY BECOMES DRY

WASHINGTON, June 30.—The department of justice will strictly enforce prohibition which became effective at midnight insofar as the sale of liquor is concerned. It is expected that the department will deal with the law in New York and other states where the law is being enforced. Many cities are planning to have "wet" celebrations tonight.

(By Associated Press.)  
NEW YORK, June 30.—Six thousand sailors, members of the United Brotherhood of Carpenters and Joiners of America, are expected to arrive today to determine their final position in the war time prohibition. Meanwhile they plan to take a "wet" after midnight.

### MAY SELL WINES IN WET STATES

(By Associated Press.)  
WASHINGTON, June 30.—It is understood that the department of justice has decided that wartime prohibitions will not stop the sale of light wines and beer. District attorneys in some territories have been instructed to look to the recent decision of a New York court and not prosecute dealers in wine and beer containing not more than 24 per cent alcohol. Attorney General Palmer will issue a statement before midnight.

### FREE PORTS TO HELP SHIPPING

(By Associated Press.)  
NEW YORK CITY, June 30.—Representatives of the Chamber of Commerce, boards of trade and other commercial organizations of Pacific coast states will discuss the proposed establishment of free ports in the United States. William Kent, member of the tariff commission has been invited to attend the meeting and explain the reasons which led the commission to report in favor of free ports. It is expected that he will describe the provisions of the free zone bill now pending in congress.

### DIVIDE ANNEX COMPANY FIRST TO PAY QUOTA

The first one of the Divide mining companies to pay in its assessment to the Divide-Tonopah Chamber of Mines was the Divide Annex Mining company which gave its check this morning for the sum of \$550. The company was one of the first to organize in the district and is offered by the following: Judge Mark R. Aycock, president; J. W. Douglas, first vice-president; F. W. Taylor, second vice-president; E. J. Ramsey, secretary; M. E. Hill, treasurer, and J. T. Mason, director.

### ELKS RECEIVE 23 CANDIDATES

With one of the most diversified programs ever offered a bunch of candidates for membership in the Elks, Tonopah lodge No. 1062, B. P. O. Elks inducted twenty-three initiates into the local herd Saturday night. The new members were drafted chiefly from White Pine county with the addition of a few from Tonopah and one from Reno. After the banquet at which over 200 were seated the entertainment took shape with a home between Ketchel and Brainer and their sparring partners and several numbers by local and visiting talent that kept the audience interested until long after midnight.

The new members of the order are Clarence A. Eddy, J. B. Reid, Wilbert Williams, James Connors, John D. Galvin, Ersk T. Erickson, Donald Simkins, John E. Ender, Walter A. Walsh, Ben W. Palmer, Herbert L. McLaughlin, Wm. Royle, Jr., Wm. Campbell, Geo. H. Owen, Wm. G. Knapp, Geo. C. Wilson and Irving Wessell from White Pine county; Harry R. Bradley, Geo. D. Chase, John J. Delbridge, N. M. McCormick, Wm. Forman of Tonopah and Charles C. Porterfield of Reno.

### TROTZKY TROOPS BURN PETROGRAD

(By Associated Press.)  
HELSINGFORS, (Saturday), June 28.—The evacuation of Petrograd by the Bolshievi is progressing rapidly, according to recent decrees of the Bolshievi government received here. War Minister Trotsky has ordered the fortress at Kronstadt blown up and bridges and railway stations in Petrograd destroyed, before the last troops are withdrawn.

### HOUSE REPORTS FAVOR OF DRYS

(By Associated Press.)  
WASHINGTON, June 30.—The house judiciary committee today reported favorably on measures to enforce wartime constitutional prohibition. The report defines beverages containing more than one-half of one per cent alcohol as intoxicating. Representative Randall of California introduced a bill to keep the "country from going on a whiskey drinking basis" between demobilization of the army and while constitutional prohibition is effective. This would prevent shipment of all "distilled malt vinous or other intoxicating liquors."

### TABLES TURNED AFTER FORTY-EIGHT YEARS

(By Associated Press.)  
PARIS, June 30.—Premier Clemenceau presented the text of the treaty to the chamber of deputies today. The premier recalled the French national assembly at Bordeaux in 1871 and added "We make peace as we make war, without weakness. Internal is the necessity for external peace."

### WARN HOLLAND TO WATCH THE KAISER

(By Associated Press.)  
LONDON, June 30.—C. R. Harmsworth, under secretary of state for foreign affairs, told the house of commons that the allied governments represented to Holland the necessity of taking steps to prevent the departure of the former German emperor from Holland.

### TWO MORE STATES JOIN IN TELEPHONE STRIKE

(By Associated Press.)  
SPRINGFIELD, Ill., June 30.—International union officers announced today that official orders had been sent to Oregon and Washington electrical workers to strike in sympathy with the telephone workers of California and Nevada.

(By Associated Press.)  
PORTLAND, Ore., June 30.—It is claimed that more than four hundred operators joined the telephone workers' strike.

(By Associated Press.)  
SAN FRANCISCO, June 30.—Leaders of the telephone strikers resorted today that there would be no effort to resume negotiations with the company over demands for increased pay and improved working conditions. L. C. Grasser, vice-president of the international union, predicted today that the unions in Washington and Oregon will respond fully to the order to strike in sympathy with California and Nevada workers.

### HAULING CROWD TO THE FIGHT

(By Associated Press.)  
TOLEDO, Ohio, June 30.—To enter the arena tonight for the fight between the two champions of the world, the crowd of spectators will be hauled to the arena by a special car. The car will be hauled to the arena by a special car. The car will be hauled to the arena by a special car.

The chief medium of transportation to the fight will be the street car. The street car will be hauled to the arena by a special car. The street car will be hauled to the arena by a special car. The street car will be hauled to the arena by a special car.

Automobiles Will Be Used  
Automobiles of various sorts will give street cars a close race in hauling the crowds. In addition to the regular taxicab services, Every automobile truck will go into service for the day, and hundreds of solid citizens will have a "For Rent" sign on the family car. Prices for the trips to and from the arena have not been established but it is assured there will be no seats in automobiles bringing less than one dollar for the one way ride.

Those coming to the contest in special trains will be within walking distance of their seats. Railroad officials have arranged to park hundreds of sleeping cars in the switch yards along the Maumee river, only a few minutes walk from Bay View park. This will relieve the transportation problem by several thousands.

Yates After Early  
The gates of the huge arena will be thrown open at 9 o'clock on the morning of the contest, but Willard and Dempsey will not climb into the ring until 3 o'clock that afternoon. It is safe to say that approximately half the crowd will be seated early as the first preliminaries will be started 10 o'clock and the more eager of the fans will demand to be in the monster wooden structure to see the first gloves fly. Toledo itself doubtless will send from 10,000 to 20,000 citizens to the arena, and, if the day is not too hot,

(By Associated Press.)  
BREST, June 30.—Two French civilians were killed, five American soldiers and sailors injured severely and many ships a hundred feet in water here today. Two American soldiers are expected to die. The casualties resulted from an exchange of shots between the military and naval police and French citizens. According to all available accounts the trouble began when an American naval officer who is alleged to have been drinking heavily drove down a French flag and trampled on it. A crowd of French civilians, soldiers and sailors attempted to rush the officer and when American officers were ordered to rush the crowd. They turned a corner and three stones at Americans in answer where they found them. It is reported that the Americans retaliated. A company of marines with fixed bayonets which was hurried to the scene soon restored order. The French naval commander at Brest ordered the marines to return to their barracks. It is reported that the marines did not return to their barracks as they marched back to quarters.

(By Associated Press.)  
SAN BERNARDINO, EDITOR GETS CALIFORNIA JOB  
SACRAMENTO, June 30.—The governor has appointed W. S. Conner, editor of the San Bernardino Inquirer, to succeed George R. Hodel, as editor-in-chief of the capital city and its environs. Hodel's resignation has been pending since shortly before the publisher last August at which time he was nominated for governor.

### NON-STOP FLIGHT FROM SAN DIEGO TO SAN FRANCISCO

(By Associated Press.)  
SAN DIEGO, Cal., June 30.—Twenty-five planes have been hauled to the airport in an effort to establish a non-stop flight from San Diego to San Francisco. The planes are being hauled to the airport in an effort to establish a non-stop flight from San Diego to San Francisco.

It is expected that the planes will be hauled to the airport in an effort to establish a non-stop flight from San Diego to San Francisco. The planes are being hauled to the airport in an effort to establish a non-stop flight from San Diego to San Francisco.

Another method of getting to Bay View park was suggested by a group of small motor boats which will ply between the downtown section and the park. The stadium is within a few minutes' walk of the Maumee river and Maumee bay and there boats could be made a factor in the transportation provided enough of them operate. The strange, however, will close street cars and automobiles with the inevitable crash and jam incident to such an occasion.
